

REMARKS

The Amendment enclosed herewith is submitted in response to the Official Communication mailed September 14, 2006. No new matter has been added to the specification as a result of this Amendment. Applicants have simply amended the specification to include reference to figures 8aa-8dd in the description of the drawing section. The specification already included discussion regarding these figures in a detailed description.

As it is believed that all of the rejections set forth in the Official Action have been fully met, favorable reconsideration and allowance are earnestly solicited.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he telephone applicant's attorney at (908) 654-5000 in order to overcome any additional objections which he might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: September 29, 2006

Respectfully submitted,
